Hops: Magnum, Tetnang

EBC color:	EBU bitterness:	Vol:
19	20	5,5 %

Serving temperature:

8–10 °C

Full bodied festbeer

Oktoberfest beers are tricky to classify according to any of the usual beer styles, since they vary greatly in taste and style. The Oktoberfest brews are tied to the specific time they are served and the local traditions.

Stallhagen's Oktoberfest 2021 is a festive brew, following the modern German style. Amber in color, with a clear maltiness dominating the aroma. The taste has hints of caramel, toasted bread and nuts with a nicely rounded mouthfeel. It has everything a good beer should have: malt, bitterness and hops aroma.

Flavorful sausages, sauerkraut, potato salad, hamburgers and French fries.

Our beers are available at K-markets. HoReCa customers can make purchases straight from the brewery or at Kespro wholesale shops.
